

1. Product Name

LED crystal lamp

2. Product Code

16700111

3. Short Description

This beautiful LED Crystal Lamp is perfect for children with special needs. The crystals inside the clear casing are illuminated by colour-changing LEDs, creating a calming and relaxing atmosphere. This makes the lamp ideal for creating a safe and tranquil environment for children with disabilities.

4. Contents

1 x Lamp

See, feel

7. Safety

WARNING!

- Contains flashing lights that may affect individuals with light-sensitive epilepsy or other light sensitivities.
- This is not a toy. For visual entertainment only. Children should always be supervised.
- Nur für den Innenbereich verwenden. Nicht direkter Sonneneinstrahlung aussetzen.

Sicherheitswarnungen:

- Ensure that the product is not damaged before installation. If any part of the product is damaged, do not attempt to assemble or use it.
- This product contains non-replaceable LEDs. If any of the LEDs stop working, the entire unit must be disposed of according to your local regulations.
- Remove all packaging materials before installation. Do not use the product while it is still in its packaging.
- Keep away from heat sources or open flames.

- Ensure that the cable is positioned in a way that prevents any risk of tripping, entanglement, or strangulation.
- Make sure that the tube is placed on a stable, flat, and level surface.
- This product is not intended for use by persons (including children) with reduced physical, sensory, or mental abilities, or lack of experience and knowledge, unless they are under the supervision of a competent person responsible for their safety.

8. Instructions

1. Carefully remove the product from the packaging.
2. Make sure that a USB socket is within reach without overstretching the cable.
3. After inserting the USB connector into the socket, press the ON/OFF switch on the cable to turn it on, and the light will automatically change.

Keep the packaging and instructions as they contain important information.
