---	--	---

8. Batteries

Caution: For safe and proper installation, an adult must install or replace the battery.

Battery installation :

1. Unscrew the battery compartment cover at the bottom of the toy.
2. Insert a D-cell battery. Make sure the battery is inserted correctly according to the polarity (+ to + and - to -), as indicated.

Important information about batteries:

- Never use different types of batteries together or a combination of old and new batteries.
- Always remove the batteries if the product is not used for an extended period or if the batteries are depleted.
- Never use damaged batteries.
- Always insert the batteries correctly, following the indicated polarity.
- Rechargeable batteries should only be charged with the correct charger and under the supervision of an adult.
- Do not recharge the batteries while they are still in the product, and you should never attempt to do so.
- Never attempt to recharge non-rechargeable batteries.
- Never short-circuit the battery compartment.
