## 6. Technical Information

The curved design helps the wrap to stay on the shoulders even when you move. We use PET pellets for weight because they are BPA, phthalate and lead free and non-toxic. Pellets are sewn in a fabric bag that creates double protection and ensures that the pellets do not come out of the cover. Triple stitched with an additional fabric-reinforced edge on the inside of the inner bend for exceptional durability Made from 100% high-quality soft coton. Machine washable. Don't use in microwave.
