

1. Product name

Nenko feel panel

2. Product code

29202085

3. Colour

As shown

4. Description

This touch panel developed by us is equipped with various materials that invite you to develop the touch sensation.

5. Installation

- Locate the hanging brackets on the back of the Nenko feel panel
- Drill holes in wall 83 cm apart and insert 0,6 cm wall plugs.
- Insert 3 cm screws into the wall plugs and hang panel.
- Mark a drill point through the fixing hole in the bottom middle of the panel.

- Remove panel and drill marked point, then insert 0,7 cm wall plug.
- Re-hang panel and screw in 7 cm screw, along with the screw cap, into the fixing hole.
- Press screw cap closed when finished
